THE JOY OF LISTENING COMES ABOARD: THE JEHNERT AUDIO SYSTEM ARRIVES ON KREOS

San Casciano in Val di Pesa, August 2025

- *Advanced technology for an immersive listening experience*
- *Jehnert audio system is available as an option on Kreos*

Choosing a motorhome as a lifestyle means paying attention to every detail – including the onboard sound experience. At the Caravan Salon in Düsseldorf 2025, Laika presents a novelty for music enthusiasts and demanding travelers: a high-quality audio system designed to offer optimal acoustic performance, even during travel.

Every journey deserves its soundtrack

For those who love traveling while listening to their favorite music, Laika offers a new feature designed to elevate onboard comfort: the new audio system *powered by JEHNERT*, available as an option on the Kreos range. Perfectly integrated into the cabin, the system ensures an extraordinary listening experience, turning every trip into a moment worth living – bringing aboard the ideal soundtrack for every destination.

High-performance audio, designed for Kreos

The JEHNERT audio system, designed to perfectly integrate into Kreos' interior spaces, is based on a 2-way system with tweeters and woofers coupled with a crossover that adjusts the central speaker. The result is a **clear, dynamic sound calibrated to offer the best acoustic experience possible onboard.**

The system is completed with a Quadcoil subwoofer integrated into the seat bench and a 9-channel amplifier, ensuring **deep and enveloping sound output.**

Enjoy the Dolce Vita.

Everything under control, always: managing the system is simple and immediate thanks to the SC1 knob, which allows quick adjustments of the subwoofer and easy switching between radio, TV, or Bluetooth modes.

Moreover, thanks to the connection to the vehicle's service battery, the system **can be used even when the vehicle is stationary** – perfect for accompanying a relaxing break or an evening under the stars.

An experience tailored to your needs

The JEHNERT audio system is offered as an option on Kreos and can be customized according to personal listening preferences: it is possible to expand the system with additional speakers (opt.) in the living area or with a direct connection to the TV.

Thanks to a design integrated into the cabin's aesthetics and careful attention to every detail, the JEHNERT audio system makes every journey aboard Kreos an unforgettable listening experience.

LAIKA, WITH YOU ON YOUR TRAVELS SINCE 1964

61 years have passed since, in 1964, Giovanbattista Moscardini founded LAIKA, calling it after the first dog launched into space. Fascinated by the space adventures and the new horizons that were opening up, Moscardini laid the foundations for what is now an avant-garde company, which stands out for its production of design and excellent construction technique. Laika Caravans belongs to the Erwin Hymer Group and manufactures vehicles designed with excellent construction techniques, made to last and suitable for any climatic situation. Customer satisfaction is Laika's main goal. Thanks to its team with extensive competence and experience, it creates vehicles with attention paid to the smallest details. www.laika.it/en/

Enjoy the Dolce Vita.
